Good Morning Mr Duckworth

It appears from the pictures that the signs are attached to a private property brick wall which means the signs are on private property. Building and Safety regulates private property ( call center 888LA4BUILS )

Today we filed the referenced complaint with the "BSS Operator" (telephone) against illegal signs in the public right of way. They are located on Sepulveda Westway midway between La Tijera and Manchester on the west side of the street. They are directly behind the Kohl's store on the opposite side of Sepulveda Westway. I've attached photos for your use.

Let us know as we can assist further in any way. Thanks you for your help!!
